|---|---|---|
| ABSINTHE "THE" We are happy to offer the queen of spirits again. Offer: With every absinthe-based cocktail, there is a lighter for free! Alcohol by volume: 89% | BEER "BRUX" This local but world-famous beer is especially brewed and suited to be mixed with anything, as it is practically tasteless by itself. Alcohol by volume: 4% | CHAMPAGNE "BURBUJA" An exquisite champagne variety imported from Mexico. No need to be genuine here, give it a try. Alcohol by volume: 13% |
| CIDER "THE HAPPY APPLE" High-quality fermented apple juice imported from Bretagne, France. Special mix of fruit flavors is added to widen the taste. Alcohol by volume: 2% | RUM "KARTOFFEL" Many have forgotten that rum can be also made from potatoes. We build on this tradition and all our rum-based cocktails are in fact closer to French fries than to caramel. Alcohol by volume: 49% | SLIVOVITZ "BÍLÁ HŮL" This Czech delight is healthy in small portions and avoids headaches even in large portions. We serve it also pure on request. Alcohol by volume: 76% |
| VODKA "ЦАРЯ ДАРИЯ" As mighty as Russian rivers, this crystal clear alcohol can base nearly anything. Prepared by experienced ones, smuggled by less experienced ones. Alcohol by volume: 37% | WHISKY "FLYING SCOTTSMEN" We have discovered this jewel on our frequent bar crawls in Edinburgh. The winner of Golden Kilt 2004. An essential part of our best cocktails. Alcohol by volume: 43% | WINE "PINOT LA BAS" This dry red wine comes from our own vineyards in Burgundy. The fermentation process is specially tuned for mixtures. Alcohol by volume: 10% |
